

# **BALTIMORE CITY DEPARTMENT OF PUBLIC WORKS**

## **Chief, Water & Wastewater Utility Maintenance**

### **JOB SUMMARY**

The Baltimore City Department of Public Works is currently seeking a highly qualified, results-oriented and responsive individual to lead the Water & Wastewater Utility Maintenance Division of the Bureau of Water and Wastewater.

### **ESSENTIAL DUTIES AND RESPONSIBILITIES**

- Directs the operation, maintenance and repair of the municipal water distribution, wastewater collection and storm water drainage systems
- Plans, coordinates and directs water and wastewater utility repair work
- Oversees the fiscal management of the Division
- Identifies and assesses the need for capital improvement projects
- Develops and implements standards, procedures and techniques for utility maintenance work
- Directs the requisitioning of equipment, materials and supplies

### **THE IDEAL CANDIDATE**

The ideal candidate will be an individual who exercises solid judgement and has excellent organizational and management skills. The successful candidate must be able to manage multiple competing work priorities; and he/she must understand the complexity of water distribution networks and the connectivity of sewer and storm networks in order to oversee and recommend problem resolution in the field.

### **DESIRABLE QUALIFICATIONS**

Bachelor's degree from an accredited college or university in engineering or a related field and five years of experience in overseeing the operations and programs of a small or medium-sized water or wastewater utility or a segment of a large water or wastewater utility, or overseeing the design and implementation of water or wastewater utility capital improvements, including four years experience in supervising others.

### **COMPENSATION AND BENEFITS**

Baltimore City Department of Public Works offers a competitive salary commensurate with education and experience and a comprehensive benefits package.

### **HOW TO APPLY**

This position will remain open until filled. Interested and qualified candidates should submit a cover letter and resume, which specifically addresses the applicant's relevant education and experience for this position to:
